

William S. Hamilton, AIA, LEED AP
Director

Experience

Mr. Hamilton has over 20 years of experience in preparation of design and construction documents, zoning studies, code review, permitting, and technical investigations. His project experience includes a specialization in healthcare as well as commercial buildings and large-scale residential buildings throughout New York and New Jersey.

He is a registered NYC Building Department Filing Representative and leads the firm's expediting efforts. As our in-house code expert, he reviews design phase documents, QA/QC peer reviews, zoning and FAR investigations, and NJ/NY Department of Health, Department of Community Affairs and CON applications.
