

Caroline Karlsen, AIA, LEED AP BD+C
Senior Project Architect

Experience

Ms. Karlsen is a versatile, licensed architect, with more than 15 years of experience on projects of varied size and complexity. She has skillfully managed projects from conceptual design through construction, and her portfolio includes high-end, urban residential towers and LEED-rated adaptive re-use projects.

Now assisting with institutional buildings, her proven, hands-on construction experience, composed nature, and keen knowledge of code compliance make her an important asset to the growing design team at Posen Architects.
