

Karla Gutiérrez Glover, Associate AIA
Architectural Associate

Experience

Ms. Gutiérrez Glover has 20 years of experience in projects of varied size and complexity. She has skillfully managed projects from conceptual design through construction and her portfolio includes imaging projects, emergency departments, acute in-patient units, outpatient medical office buildings, nursing homes and assisted living.

Now assisting in various healthcare assignments in NJ and NYC, Karla's proven, hands-on construction experience, composed nature, and keen knowledge of code compliance make her an important asset to the healthcare design team at Posen.
