

Sayra Rubiano
Interior Designer

Experience

Ms. Rubiano has five years of experience working with the interior design and architectural teams to prepare space plans, finish, lighting, and furniture plans as well as contract documents for permit approvals, bids and construction. She is also responsible for the firm's in-house graphic design efforts.

Sayra's interior design experience includes branding, commercial, large-scale corporate installations, tenant fit up and healthcare facilities in New York and New Jersey.
