

POSEN ARCHITECTS.

Danielle Matuch, Assoc. AIA, LEED GA
Senior Project Designer/Manager

Experience

Ms. Matuch has 15 years of experience working on projects of varied size and complexity. She has managed projects from conceptual design through close out. Her portfolio includes commercial, corporate interiors, government, higher education, healthcare, and master planning.

Now managing various corporate interiors and medical assignments, Danielle's diverse experience in design and in construction, and her interpersonal skills are an important asset to the design team at Posen Architects.
